7. **Affirmation of the Disciple** (in unison)

We are points of Light within a greater Light
We are strands of loving energy within the stream of Love Divine.
We are points of sacrificial Fire, focused within the fiery Will of God
And thus we stand.

We are ways by which men may achieve
We are sources of strength, enabling them to stand
We are beams of Light, shining upon their way
And thus we stand.
And standing thus revolve
And tread this way, the ways of men,
And Know the ways of God
And thus We stand.

8. The Great Invocation Stanza One - 1935 (in unison))

Let the Forces of Light bring illumination to mankind.
Let the Spirit of Peace be spread abroad.
May men of goodwill everywhere meet in a spirit of cooperation.
May forgiveness on the part of all men be the keynote at this time.
Let power attend the efforts of the Great Ones.
So let it be, and help us to do our part.

9. The Great Invocation Stanza Two - 1940 (in unison)

Let the Lords of Liberation issue forth.
Let Them bring succor to the sons of men.
Let the Rider from the Secret Place come forth,
And coming, save. Come forth, O Mighty One.

Let the souls of men awaken to the Light,
And may they stand with massed intent.
Let the fiat of the Lord go forth:
The end of woe has come! Come forth, O Mighty One.
The hour of service of the Saving Force has now arrived.
Let it be spread abroad, O Mighty One.

Let Light and Love and Power and Death
Fulfill the purpose of the Coming One.
The WILL to save is here.
The LOVE to carry forth the work is widely spread abroad.
The ACTIVE AID of all who know the truth is also here.
Come forth, O Mighty One and blend these three.
Construct the great defending wall.
The rule of evil *now* must end.

10. The Invocation of Light (in unison)

We, as points of Radiance and Power in the Center of all Love, stand with open hearts linking Shamballa and the four Lower Kingdoms. We invoke the Light and anchor it to meet the need, with the intention of the Will-To-Good manifesting on the Earth as Goodwill in humanity.

11. Mantram of Unification (in unison)

The sons of men are one and I am one with them.
We seek to love, not hate.
We seek to serve, not exact due service.
We seek to heal, not hurt.
Let pain bring due reward of Light and Love.
Let the soul control the outer form, life and all events
And bring to light the love underlying the happenings of the time.
Let vision come and insight.
Let the future stand revealed.
Let inner union demonstrate and outer cleavages be gone.
Let Love prevail.
Let all men love.

SILENT MEDITATION - Visualize the Light passing through the group formation

(Note to leader: Silently await the impression to move forward. When impression comes, cue the next section leader to begin)

12. Distribution of Energy/The Great Invocation Stanza Three (in unison)

We know, O Lord of Life and Love, about the need;
Touch our hearts anew with Love, that we too may love and give.

The Great Invocation

From the point of Light within the Mind of God
Let Light stream forth into the minds of men.
Let Light descend on Earth.

From the point of Love within the Heart of God
Let Love stream forth into the hearts of men.
May Christ return to Earth.

From the center where the Will of God is known
Let purpose guide the little wills of men —
The purpose which the Masters know and serve.

From the center which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.
And Thus It Is, And Thus It Is, And Thus It Is

13. Sound the Affirmation (in unison)

In the center of all Love we stand.
From that center we, as souls, will outward move.
From that center we, the ones who serve, will work.
May the Love of the Divine Selves be shed abroad
In our hearts, through this group, and throughout the world.

14. Gratitude and Release

As our service of Transmission concludes for now, we gently release ourselves from the energies and formation. We stay in our Soul connection, carrying forward the Light in our daily lives. The impressions are etched and the Work continues in the subtle realms.

We give heartfelt and soulful thanks to all Beings of every Level, Realm, Direction, and Kingdom that responded to our call and aided in the Work. We release you to go where you Will and Must, knowing that we remain connected and unified through Love and Commitment to the Plan. We give our deepest devotion, love, and gratitude to our Divine Mother, who remains ever near. And, we give love and gratitude to each other for the blessings of serving together. May we continue to utilize the aspect of synthesis to expand group unity.

In Light and Love, So It Is, and So It Is, and So It Is. And Blessed Be.
